Photos: Ralf Åström

These photos were taken in the southern parts of Helsinki, at Engel Square and Juhani Aho Park. The Engel Square is located in the heart of the prestigious Eira district and was named after Carl Ludvig Engel (1778–1840), the famous designer of the historical centre of Helsinki. Juhani Aho (1861–1921), after whom the second park is named, was one of the first professional Finnish writers.
